

CLAY STUDIO COLLECTIVE

October Newsletter

Welcome New Board Members

We are very excited to announce two new Board appointments!

DONNA WOODBURY,
EXECUTIVE DIRECTOR

Donna brings with her a wealth of leadership experience in business and technology. She is fairly new to pottery, but thrives on learning new skills and being creative. She especially loves the creative and collaborative atmosphere at the our studio.

LYNDA BEHENNA,
MEMBERSHIP DIRECTOR

Lynda is also fairly new to pottery, but is an enthusiastic potter that is hooked on clay! Lynda also has leadership skills in the IT industry (a girl after my own heart!) that will translate well into managing and growing our membership at the CSC.

Reminders:

JUST ASK!

If you are unfamiliar with a piece of equipment - just ask for instructions. Happy to ensure that you know how things work.

IF YOU BUILD IT, TAKE IT!

It is so great to see all the wonderful pieces being created in the studio. Please remember to take yours home! Any pieces that are left for more than 60 days will be property of the studio. So don't forget to take your things home!

MAKE WAY FOR MORE!

We will also move bisqued pieces back to your ware board to remind you to get glazing and to keep the area open for more creations!

Kiln Update

The kiln controller has arrived and is at the studio! With lots of effort by Cathy and help from Krista, the old kiln elements have been removed and the new elements are in place. We have contacted our electrician to schedule the controller installation. Thanks to the Collective we are nearly ready to fire up that second kiln!

Stay Tuned for Website Updates

We are adding all Krista Cameron Pottery class information and workshops to our website. One stop shopping!

MEMBERS PORTAL

BOOK
Studio Time

Clay Studio Collective members have 24-hour access to the studio outside of scheduled pottery classes. Use our online booking system to reserve wheels and studio time.

BOOK STUDIO TIME

LEARN
