

Clay Studio Collective

Happy First Anniversary CSC!

There are moments in your life that make you feel a sense of pride. This month, the 1st anniversary of the CSC was one of those moments. It is one for all of us to share - Board members, committee members, CSC members and the community. Together we built an amazing studio and collective of artists. Thank you to all who participated in getting our studio off the ground, to those who keep it running and to all members who have made CSC their home!

BACF 50th Anniversary

CSC was invited to participate in the 50th anniversary celebration for the Brockville and Area Community Foundation. We were thrilled to be there to celebrate this year's 2024 grant recipients at the annual ceremony. We were fortunate to receive the support from the BACF last year that helped tremendously to get our studio up and running! Thank you to all who participated in the event with your presence and your pottery!

Christmas Reminder! Get your pieces ready for bisque by Nov 25th and glaze by Dec 11th to be ready for Christmas! There will be shelves allocated on the 'To be Bisque Fired' and 'To be Glaze Fired' shelves for Christmas items, which will be given priority when kilns are loaded.
