Thank you all for helping to make this a fabulous event! We sold 50 tickets, had over 70 people attend and raised over \$2000!! Thanks to the Promotion Committee for putting this event together and to all the volunteers. The planters and pots looked amazing. Stay tuned for our next event!

Board Spotlight

Meet Nadine, an accomplished potter, Board Member and our Facility Director! Nadine splits her time between volunteering for CSC and provides contractual services to the collective. Don't get the two confused! Most of Nadine's time is spent helping to improve the studio and grow our membership. You can find Nadine volunteering with:

- New member orientations
- Clay inventory/management
- Water recycling
- Garbage disposal
- Touch up cleaning
- Member liaison regarding glazes/firings

And Nadine is always the first to volunteer for an event.

In her spare time, Nadine is our kiln tech and weekly studio deep cleaner!

Thanks Nadine for ALL you do!

Operation Kiln Connect

The money has been raised and now the team is working hard to install our new kiln! Stay tuned for more updates this summer.

Inspired, Together!

Thanks to all who joined us for our first member event in April. It was a lovely afternoon of laughter, idea generation and sharing our love of pottery!
